Manage your orders

REDUCE DESPATCH ERRORS

Manage your orders with ease.

Transfer Orders Automatically - Orders are automatically transferred to Merlin (no need to re-enter).

Warning Messages in effect - Prevent unpaid orders from being despatched thanks to the Merlin warning message.

Combine Orders - Bulk process orders with Merlin and a few simple clicks.

Consolidate Orders - You can also consolidate orders when required.

Separate Orders - Sometimes you need to separate orders, again with just a few clicks.

Despatch Orders - Upon despatch, orders are automatically marked as complete in eBay.
